I want
to destroy
everything

I want
to be the
greatest
band in
the world

After a summer of bullshit and
4 years of garbage at the local
high school, the idea was born
in the small historic town of Prejudice,
Indiana.

I want to
make sweet-ass
spaz-ass
tap-ass
music

BUT WHAT
should they
be called??

I want to
fuck things
up! Make 'em
think and shit

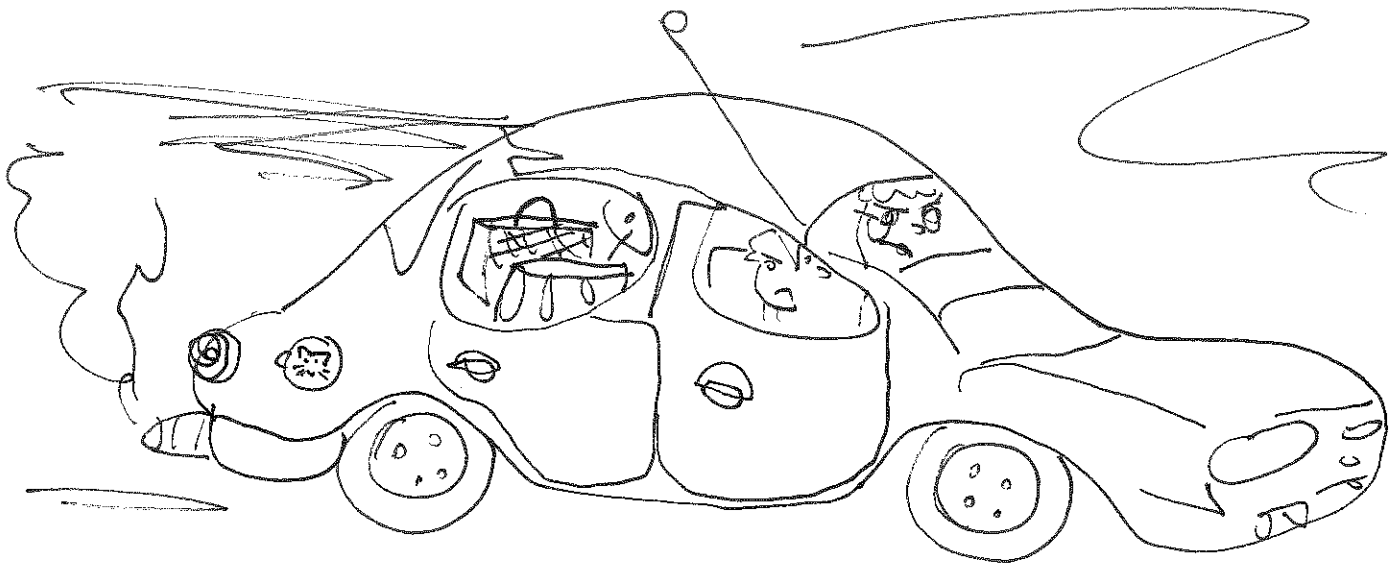

^{and so,}
It was decided that they
would be called:

THE GREATEST BAND IN THE WORLD!!

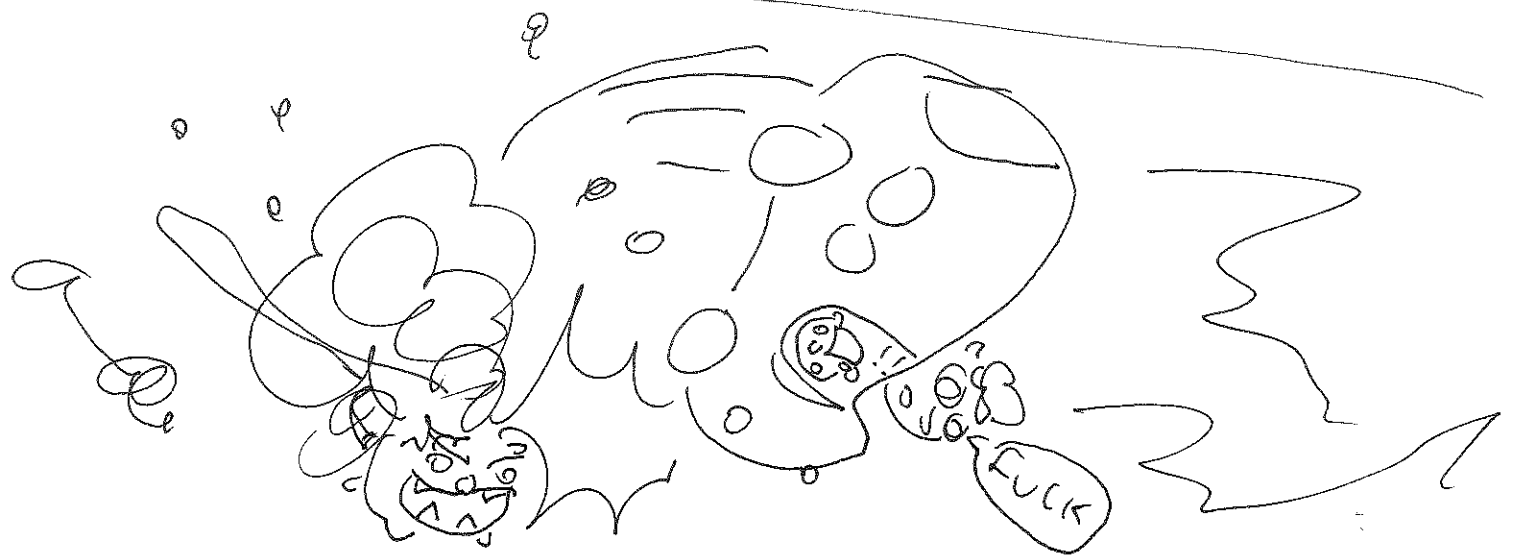

Animal
Collection

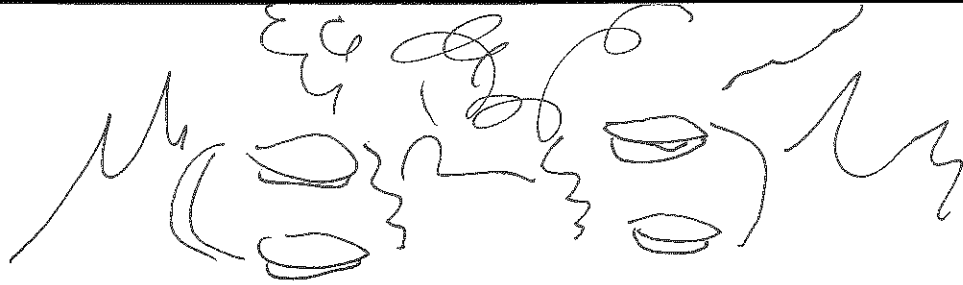

Their first show came
Fast. They packed their shit and left.

Oh wait, I meant an opossum

FUCK YOU MAN

woah wait

the greatest
band in the world !!

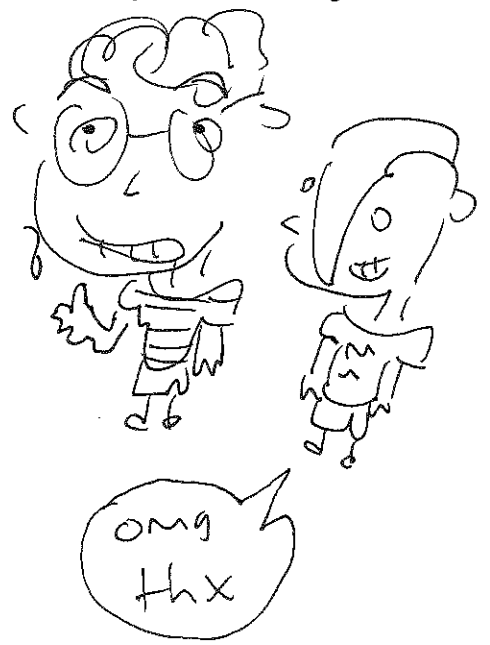

And so, the opossum helped them out :

You guys
are welcome

And remember, dudes
Always try to be
the best and greatest
in whatever you do...
do your best and
don't give up!

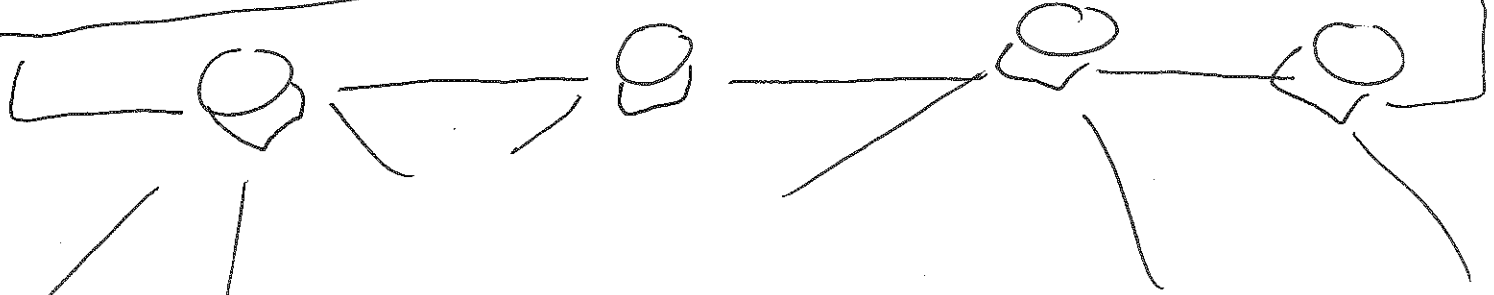

... ALSO FUCK THE
SYSTEM!!!

And so they
continued on their way...

At the

The greatest band in the world is the

Lucas n Seven. We're not actually that
great, but that's the goal.
