PROJECTS

Madison Theatre Department Sound Director — *Madison Consolidated High School*

January 2011 - May 2015

Prepared and designed procedures for running a sound system for several productions of MCHS theatre - including musicals, plays, and outside events. This position required a lot of planning and decision-making as well as the performance of using the sound system during shows and other events.

West Street Art Center — *Madison, IN*

2014 - 2016

I had the opportunity to work with Peter Ellis of the West Street Art Center and others to put on concerts in the West Street Art Center facility. This involved finding bands and artists to book and communicating with others to lead an organized shows. This also involved running a sound system. This required a lot of planning and forethought, as well as learning from experiences. In 2 years, we put on about 5 or 6 shows for my community showcasing several bands throughout the midwest.
